

ITHACA COLLEGE

School of Humanities and Sciences

To Whom It May Concern,

Hello, and I hope this letter finds you well. My name is Travis Carn, and I am a graduate student pursuing my Master's Degree in Adolescent Education at Ithaca College. To that end, I will be teaching your child social studies as Mr. Porter's student teacher until March 1st, 2019. During our time together, I plan to cover the early period of American history from the signing of the Declaration of Independence, to our examination of the United States Constitution. I am looking forward to getting to know the students as we embark on this undertaking together and I hope to make it a positive experience for them. Should you have any questions or concerns for me to address, I will be attending the Open House on Wednesday, January 30, during which I will be in Mr. Porter's classroom. I hope to see you there and am looking forward to meeting you.

Respectfully,

Travis B. Carn
